

Cheboygan County United Way's annual "Stuff the Bus" school supply drive provides an opportunity for our community to help students achieve their potential through quality education by providing classrooms in Cheboygan County with much-needed supplies.

This innovative approach provides local teachers the opportunity to put the supplies in the hands of the kids that need them the most, focusing on children from lower-income families.

This year, our goal is to partner with local businesses and organizations to sponsor every school classroom in Cheboygan County to help our teachers.

Your sponsorship will help to provide the following items that our teachers have specially asked for: dry erase markers, No.2 pencils, hand sanitizer, Clorox or Lysol wipes, Kleenex, crayons, markers, erasers, colored pencils, copy paper, glue sticks, kid's scissors and much more.

A \$100 donation will sponsor one classroom in Cheboygan County. We support Wolverine, Indian River and Cheboygan Area Schools, as well as Bishop Baraga and Cornerstone Christian.

Please consider sponsoring one or more classrooms and **MAKE A DIFFERENCE** in the life of a child! Cheboygan County United Way is also looking for volunteers who might like to help with our annual Stuff the Bus, if you are interested or have any questions please contact our office at 231-627-2288.

Thank you for your consideration,

Tracy Torrence, Executive Director
